

The new version of YouTestMe Get **Certified**

with new features is available now!

We are proud to present a new version of our online examination, training & certification software. In YouTestMe GetCertified we introduced several significant features such as Automated Proctoring, E-Commerce, Application Programming Interface, Secure Exam Environment, and optional OMR Scanner for paper-based testing. To find out more information, please scroll down or visit our website.

[Visit website](#)

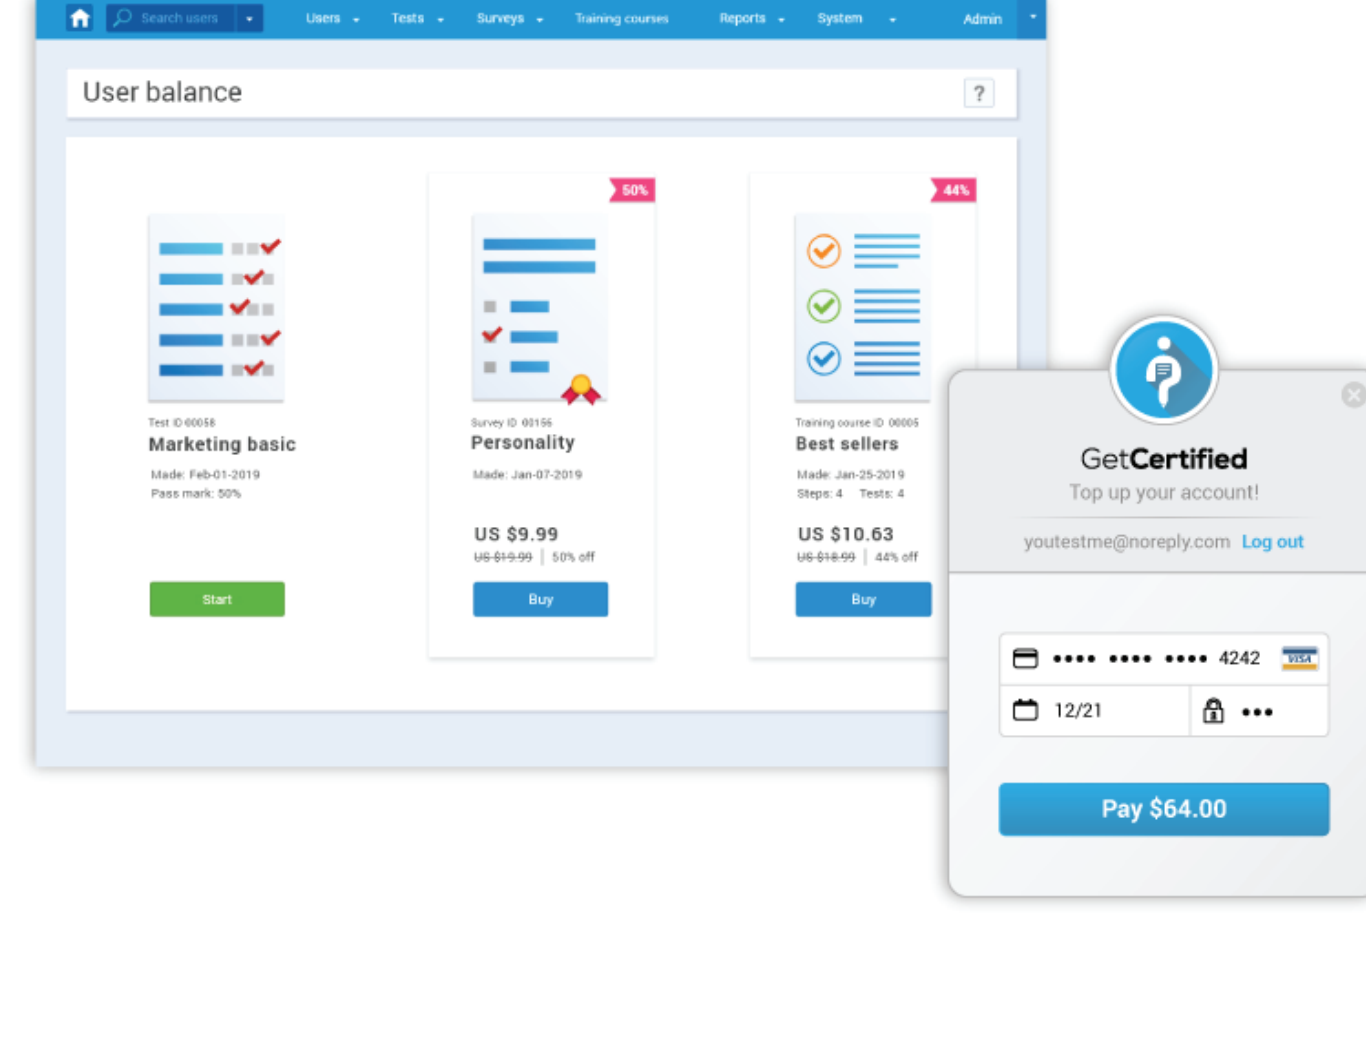

AUTOMATED PROCTORING

Proctor is an automated proctoring solution integrated with YouTestMe GetCertified. It enables remote examinations without the need to hire proctors.

SELL YOUR TESTS ONLINE (E-COMMERCE)

YouTestMe GetCertified is a complete solution for creating, selling, and delivering online knowledge tests, surveys, and training courses. Our software has a user-friendly interface, and it's easy for your customers to browse, preview, and purchase content.

[Learn more](#)

APPLICATION PROGRAMMING INTERFACE (API)

With our API you can easily integrate your systems with YouTestMe GetCertified. You can programmatically access a wide range of functions and data from YouTestMe database.

[Learn more](#)

OPTIONAL OMR SCANNER FOR PAPER-BASED TESTING

YouTestMe GetCertified allows you to automatically grade your paper-based tests using an OMR bubble sheet scanner, and import the results for every test taker back in the system.

[Learn more](#)

SAFE EXAM BROWSER (SECURE EXAM ENVIRONMENT)

YouTestMe GetCertified supports taking tests through a Safe Exam Browser (SEB). SEB changes any computer into a secure workstation, disabling all system functions, applications, or websites, as well as the access to resources that could be used for exam cheating, thus creating a secure exam environment.
