Moodle Integration

YouTestMe GetCertified has integrated with **Moodle**, one of the most popular open-source learning platforms.

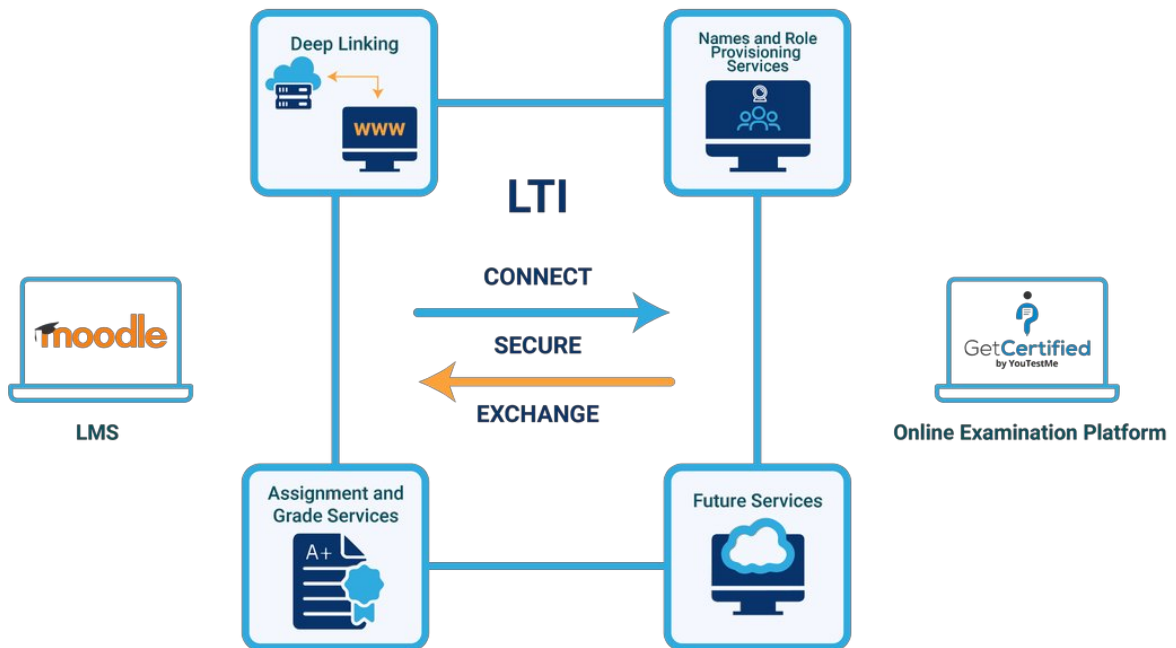

If you are using YouTestMe GetCertified for online examination, now all the data can be continuously and securely united with your Moodle account through LTI - only in a few clicks!

This creates a **smooth**, **integrated**, and **seamless experience** for both students and instructors:

- Automated exchange of assignments and grade data between YouTestMe GetCertified and Moodle gradebook

- Elimination of the need for your students to have multiple sets of login credentials for different websites

- Seamless transition from Moodle to online examination platform, using deep links

We would be happy to arrange an online presentation for your team or set up your free trial
