

# YouTestMe Monthly

July 2021

YouTestMe x Pearson VUE  
Worldwide Test Distribution

---

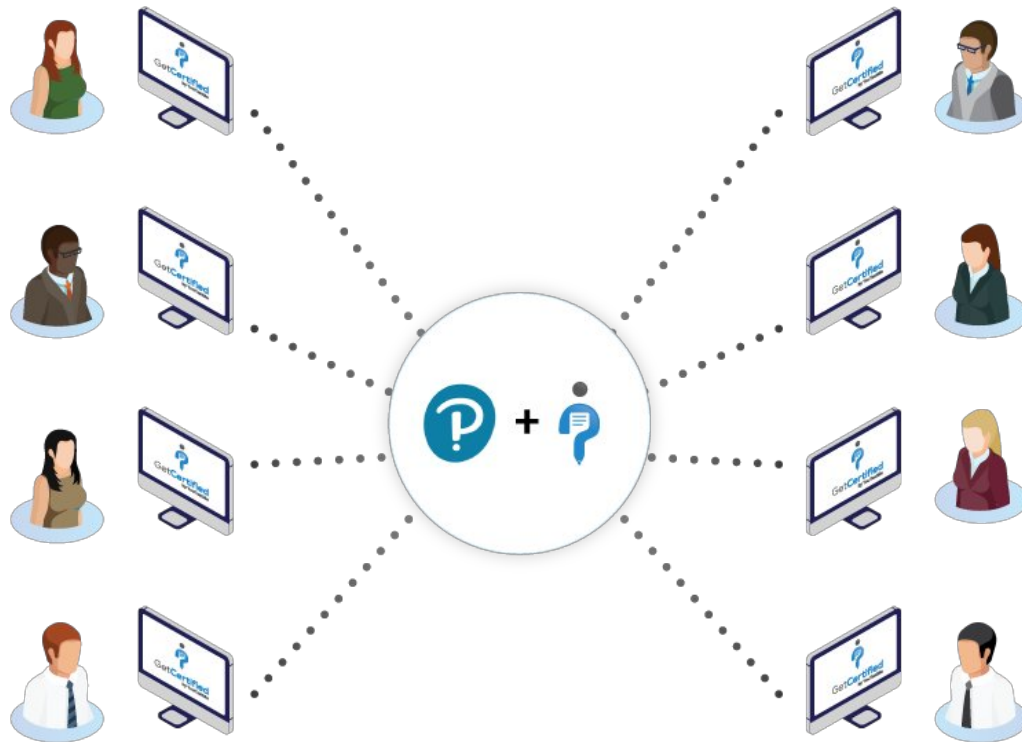

**YouTestMe GetCertified**, an online examination platform, now supports the standards of **Pearson VUE**, the **world's largest test center network** for **computer-based test delivery**.

If you conduct a part of your certification program in YouTestMe GetCertified, and a part in Pearson VUE testing centers, you can now seamlessly integrate test and user data in YouTestMe GetCertified.

- Increased **flexibility** and **efficiency** for test distribution

- **Wide candidate reach** – test-taking from home or in test centers globally
- **World-class assessment services** for test development and delivery
- User and test **data centralized** in YouTestMe GetCertified

---

## Workflow

1. The test is created, and its settings are defined in **YouTestMe GetCertified**.
2. The test is exported as **Pearson VUE package**, a file supported by Pearson testing software.
3. The test is conducted in the **Pearson VUE testing center**, using Pearson computers and a platform for computer-based testing.

4. Results are imported back to YouTestMe GetCertified.  
All data is stored and consolidated with data in YouTestMe GetCertified, allowing **examination** of **various reports**, **certification**, and **management**.
