

# YouTestMe

Live Demo Questionnaire

## 1 Introduction

This document contains a set of questions intended to gather initial information necessary for organizing the most adequate and beneficial Live Demo Presentation of the YouTestMe GetCertified software.

**NOTE:** The answers do not need to be entirely accurate. High-level estimates and approximations are usually sufficient for our team to determine the appropriate presentation plan.

## 2 Questionnaire

**NOTE:** Try answering as many of the following questions, since the answers would provide us with the information necessary for organizing the most efficient and relevant presentation for you and your team.

1. What is the average test duration?
  
2. What is the average number of questions per test?
  
3. Do the questions contain multimedia?  
Yes  
No
  
4. What kind of user and test reports would you like to have?
  
  
5. Which type of user registration do you expect to have?  
Self-registration  
Registration upon manager's approval  
Import of a large number of users simultaneously  
One-by-one user creation  
User loading from a synced system that is already in use

10. Which of the following cheating prevention mechanisms would you like to have?
- Randomization of questions and answers
  - Automated proctoring (the system monitors unusual activities using the user's microphone and camera)
  - Browser lockdown (not allowing the candidate to use anything else on the computer besides the application)
  - Restricting the test-taking to specific computers (disallowing the exam-taking from home)
  - Live proctoring (our Proctor supervises the test-taking via camera live stream)
11. Which method would you use for evaluating your exams?
- Setting a passing mark
  - Using grades (A, B, C, D, F)
  - Configuring elimination section(s)
  - Configuring section(s) and combination of sections that require passing
  - Other (explain)
12. Will your tests have an "expiry date" upon which your candidates will be required to retake them?
- Yes
  - No
13. Do you want to award the candidates who pass the test with certificates?
- Yes
  - No
14. Would you like to organize your tests, material, and multimedia content into courses?
- Yes
  - No
15. Would you like to conduct surveys?
- Yes
  - No
16. Is there any specific question type you would like to have in your exams?
17. Are your candidates/customers/users located in different time zones?
- Yes
  - No

18. Would you like the ability to organize testing sessions by associating specific locations with them?

Yes

No

19. Would you like the application interface to be branded with your logo and in the colors of your company?

Yes

No
