	1.1	Precondition – Accessibility mode	.2			
2	Linearized tables					

1 Introduction

This document's purpose is to demonstrate that all tables in the application are linearized and easy to navigate.

1.1 Precondition – Accessibility mode

To enter accessibility mode, follow these steps:

1. In the Users section, select My Profile.

or youtest	tCertified	Homepage					Q Searc	ch anything	00	0 -
home	((()))	Welcome name surn Your role is Administrator. A role with all permissions in the syst		s able to manage everything in the sy	stem.			Recent act	vity 1	
Assignments Assignments Users User profiles	-	We we list of tests you can edit, you can ed		Create a user profile with a pre-cre accordance with required permissi Create		Organize existing users in a group to tests or generate reports for that gro		<< < <	1 > >> ew all activity	5 ~
