1 Introduction

This document's purpose is to demonstrate that all components contain title attributes.

1.1 Precondition - Accessibility mode

To enter accessibility mode, follow these steps:

1. In the Users section, select My Profile.

or youtestme	Homepage			Q Search anything
Home Assignments	Welcome name surname, Your role is Administrator. A role with all permissions in the system. Administrator	s able to manage everything in the system.	🟅 New group	Recent activity
User profiles User groups Roles and permissions	Were the list of tests you can edit, grade or monitor depending on the role assigned to you. Create Create Create Create Create Create a test with preferred settings and schedule It	Oreste a user polifie with a pre-created role in accordance with required permissions. Create Create New training course Create a braining as a series of leasons organized into	Organize existing users in a group to easily such tests or generate reports for that group specific Create Organization Create Diagonal Strategy New survey Create a survey with preferred settings and sche	View all activity
