## Table of Contents

1   Introduction

This document explains how to achieve the following requirement:

- Allow scoring segregated by section with the option to aggregate scoring for the entire exam.

2 Steps
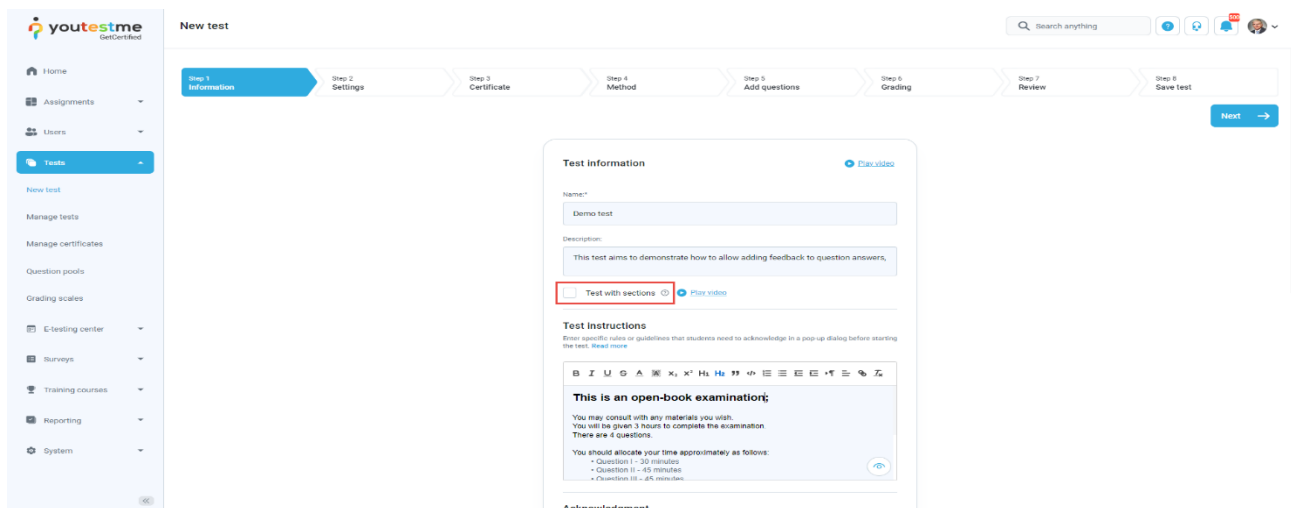

2.1 Creating a test

Hover over the **Tests** in the main menu and select **New test**.

In **YouTestMe GetCertified**, you can create the tests:
1. With sections.
2. Without sections.

Sections could represent different areas of knowledge or topics the test covers. If you select the **Test with sections checkbox**, you will create a test with sections.
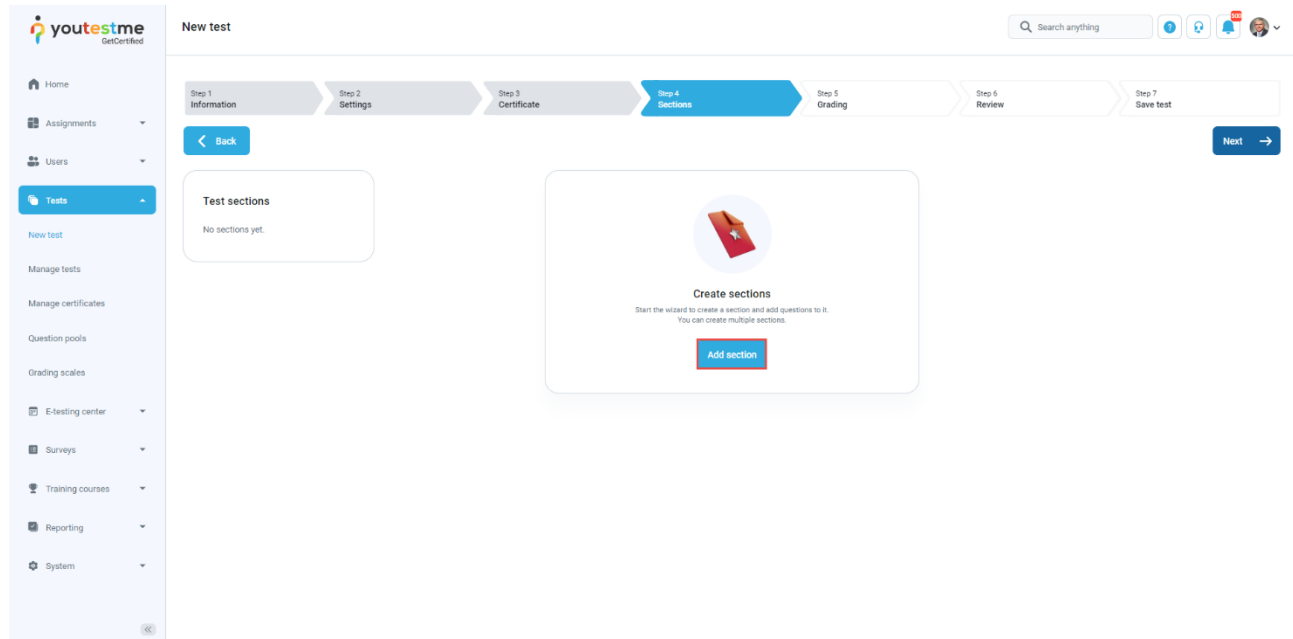

2.1.1 Test with sections

The **Create test wizard** is divided into eight steps.

1. Test information.
2. Settings.
3. Certificate.
4. Method.
5. Add questions.
6. Grading.
7. Review.
8. Save test.
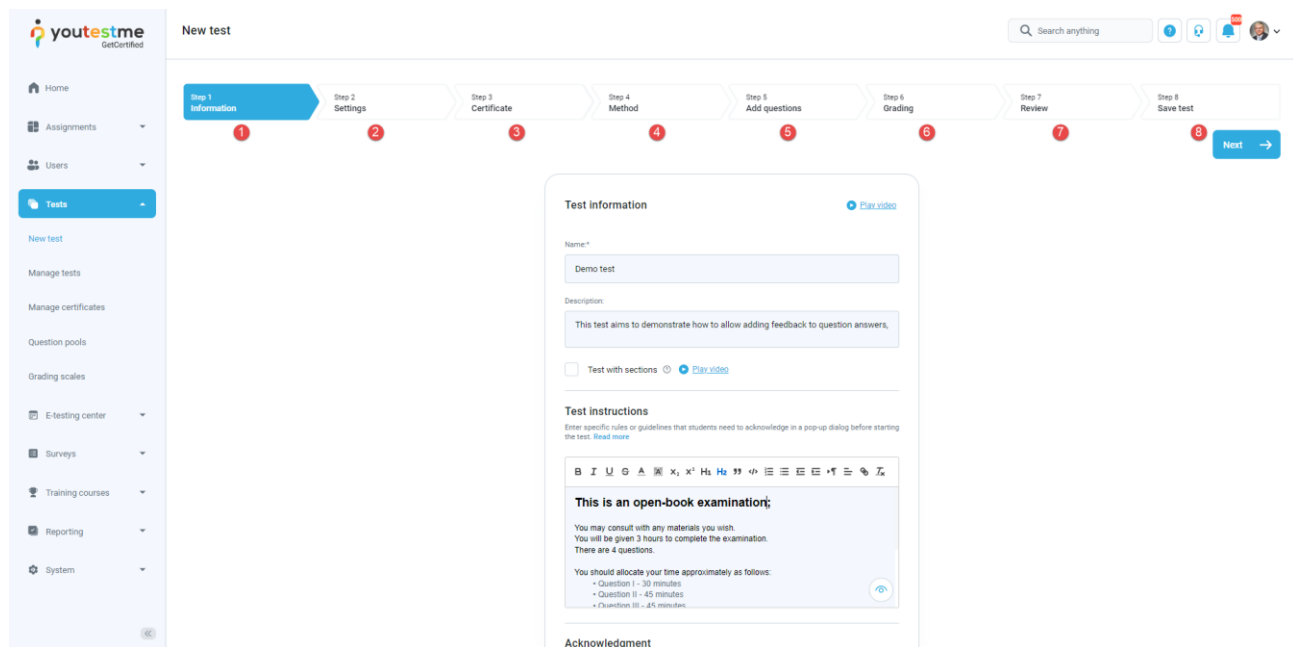

Define desired settings that will apply only to this section.
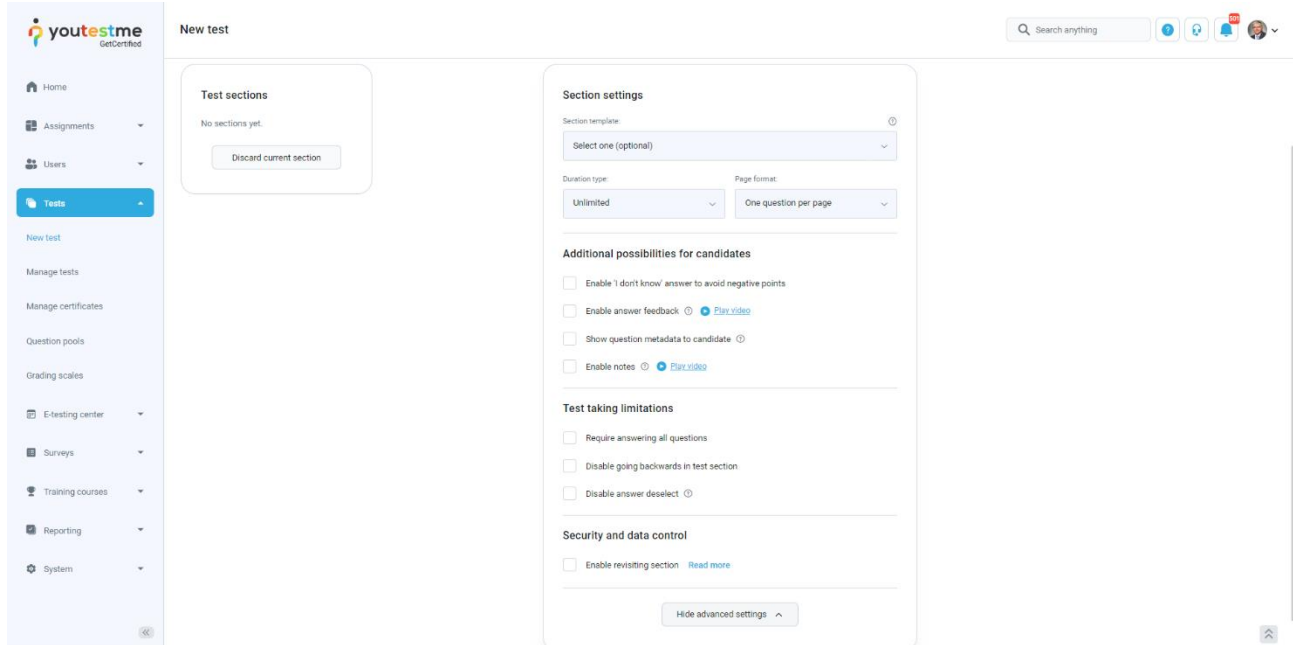

Choose one of the following methods to add questions to the exam:
1. Add questions manually.
2. Use the test generator (Based on question difficulty/question categories).
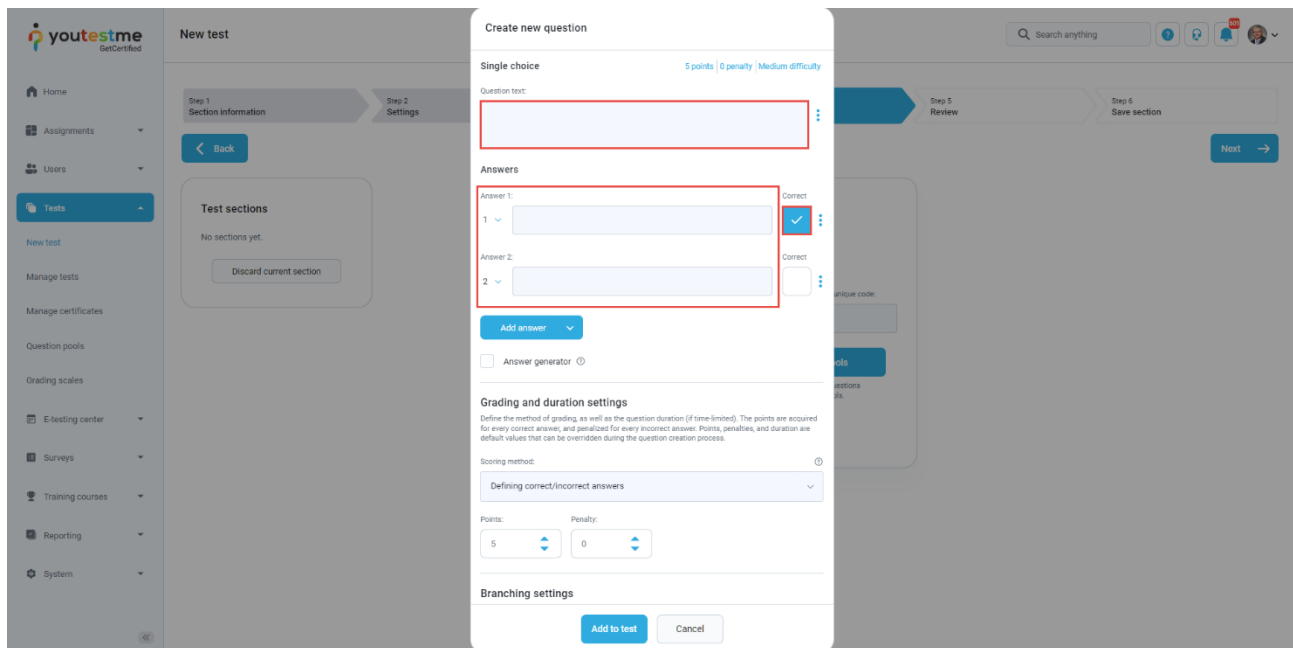

2.1.3 Adding questions

In the example below is described **Add questions manually method.** You can add all types of questions that you want to use in your test on this page.
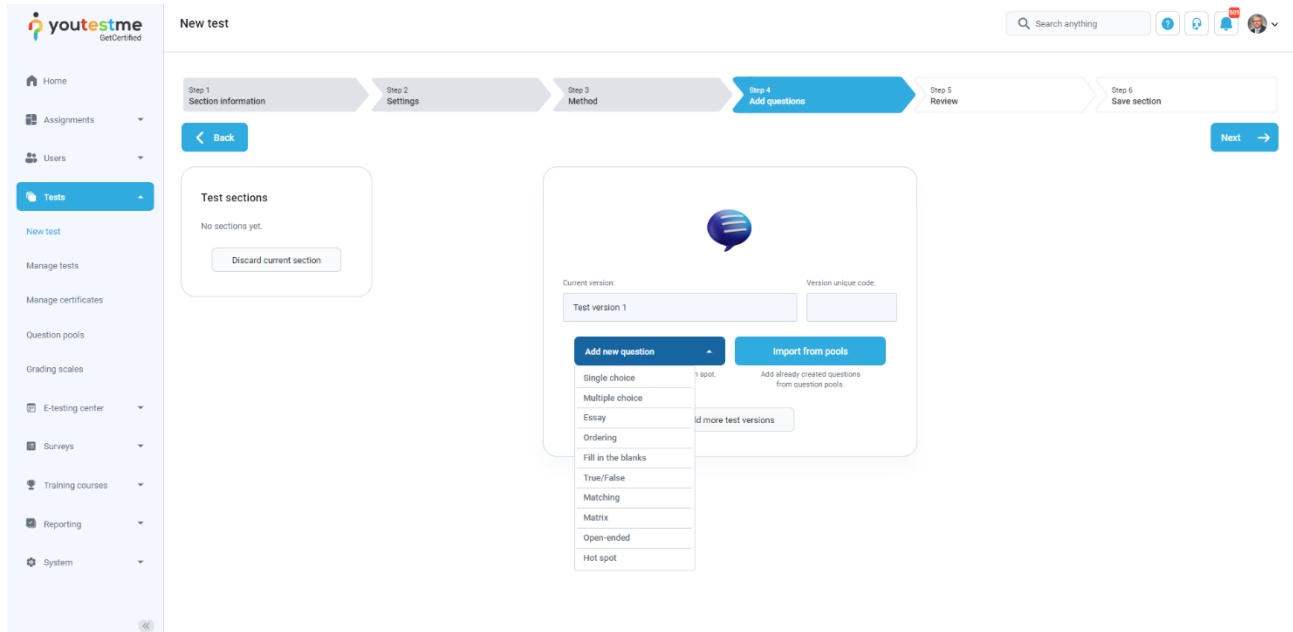

Here is an example of how to add a single choice question.

Once you fill in the question text field, add answers choices, and select the correct answer. Add the question to the test by clicking the **Add to test** button on the page's bottom.

2.1.4   Grading

In the grading step, you can define scoring on the:

1. Test level.
2. Section level.

2.1.5 Save section

To add more sections to this test, click on the **Add another section** button and repeat the same process from the above.
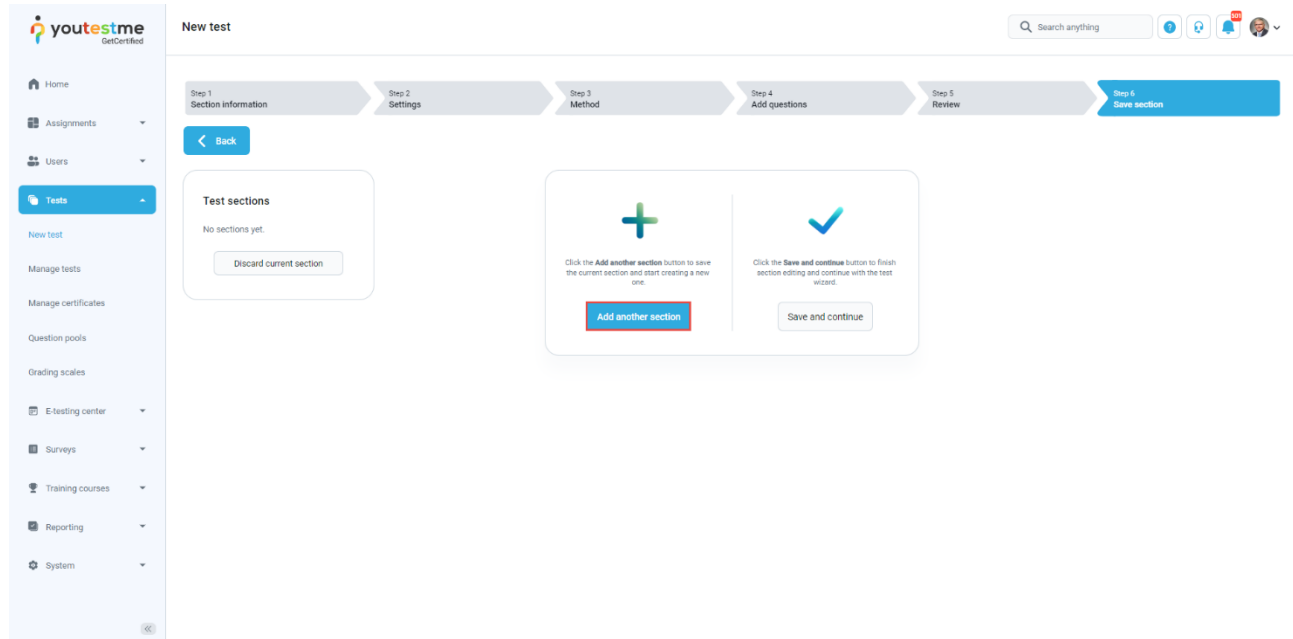

Once you have added sections, click on the **Save and continue** button.
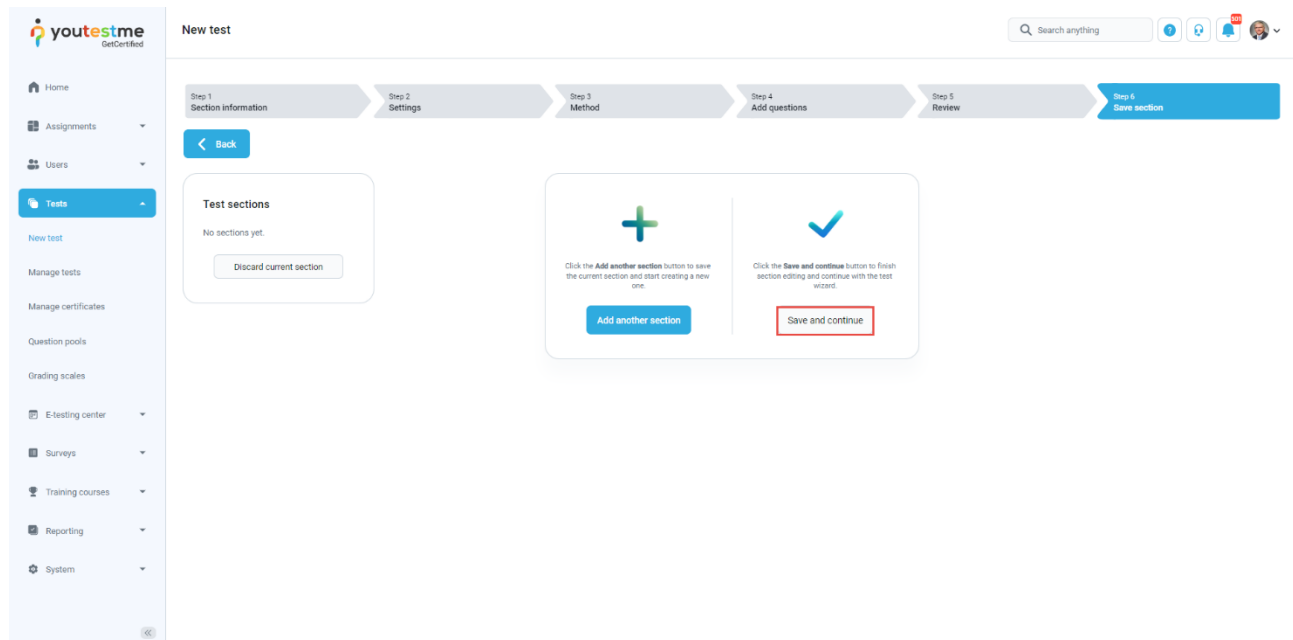

After defining all sections, go through the rest steps in the **Create test wizard** process and save the test.

2.2 Personal report

Personal report for the test with defined grading on the test and section level is presented in the **Aggregated reports** tab. Clicking on the section's name, you will be represented with the table with questions you answered right or wrong.
