1 Introduction

This document explains how to achieve the following requirement:

• Allow administrators to create, edit, copy, and delete exam items.

2 Steps

2.1 Creating a test

Hover over the Tests in the main menu and select New test.

In YouTestMe GetCertified, you can create the tests:

- 1. With sections.
- 2. Without sections.

Sections could represent different areas of knowledge or topics the test covers. If you select the **Test with sections checkbox**, you will create a test with sections.
