1 Introduction

This document explains how to achieve the following requirement:

• Ability to have a final submission button at the end of the test. (ensures the candidate has completed all testing requirements and alleviates the chance of a candidate not getting credit due to lack for a test section (if a multiple section exam).

2 Candidate's perspective

When the candidate takes the test with sections, they will have two buttons available:

- 1. Finish section.
- 2. Finish test.
