### **1** Introduction

This article explains how to confirm if the following requirement is well implemented:

• Displaying the passing mark in the personal report.

### 2 Creating a test

Hover over the "Tests" tab in the main menu and select "New test".

Enter the basic test information in the first step of the test creation process, then click the **"Next"** button.

Configure the rest of the test settings, complete all steps of the test creation wizard, assign the desired candidates and publish the test.

# 3 Previewing the test report

After the candidate finishes the test, the candidate will be redirected to the personal report.

## 4 Confirmation that the requirement is met

Check if the personal report contains both:

- 1. "Passing score" the minimum passing mark that needs to be achieved in order to pass the test.
- 2. "Score" the result achieved on the test.
