1 Introduction

This article explains how to confirm if the following requirement is well implemented:

- **Refreshing the page after the import of a question pool.**

2 Accessing the Question pool page

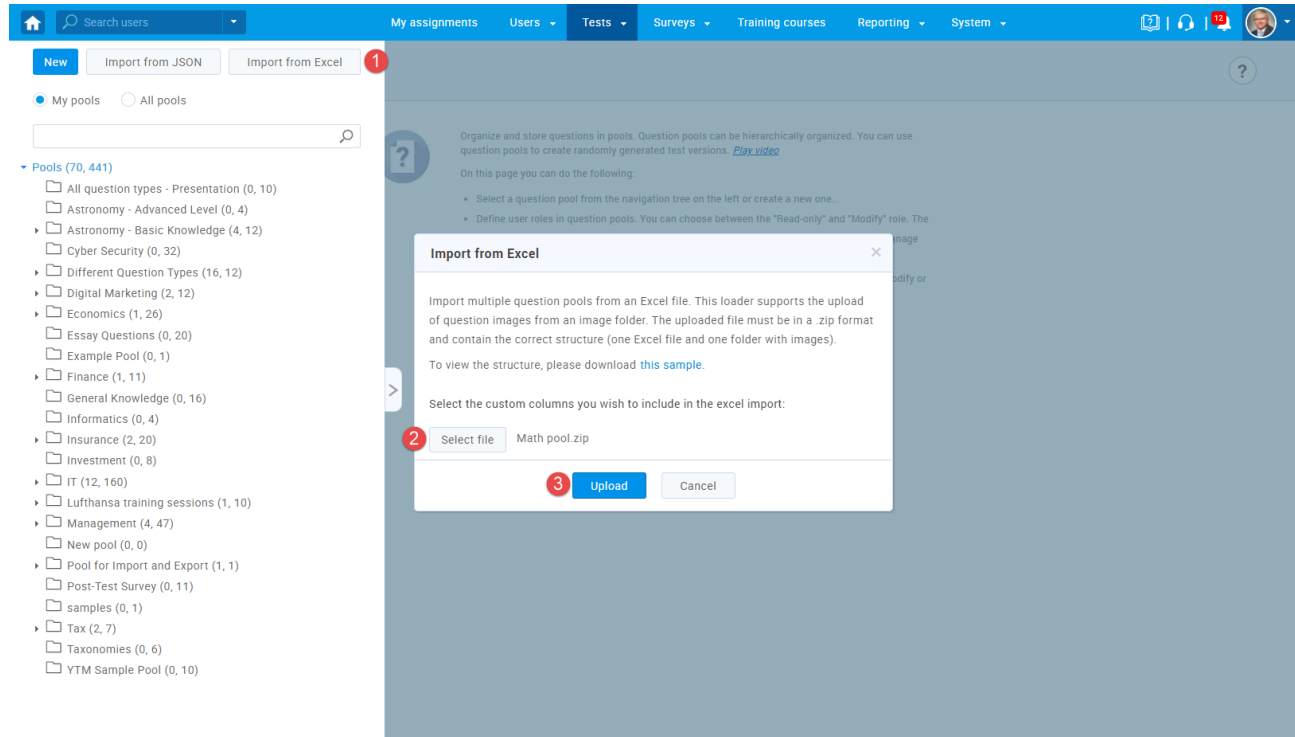

To access the Question pool page, hover over the “**Tests**” section in the main menu, then select “**Question pools**”.

3 Question pools import

To import question pools, follow the steps below:

1. In the side menu, click the **“Import from Excel”** button.
 2. Click the **“Select file”** button to choose the file you want to import.
- Note:** You can download and use the sample linked in the pop-up window.
3. Once you select the desired file, click the **“Upload”** button.

4 Confirmation that the requirement is met

Check if the imported question pool page is automatically displayed and its name is selected in the side menu.

The screenshot shows the 'Math pool' page in the Youtestme system. The page title is 'Math pool' and it includes tabs for 'Information', 'Questions', 'Users', and 'Statistics'. The 'Information' tab is active, displaying the following details:
