1 Introduction

This article explains how to confirm if the following requirement is well implemented:

• Review test results within a defined time period.

2 Reviewing test result

Hover over the "Tests" tab in the main menu and select "Manage tests".

Open the desired test.

3 Confirmation that the requirement is met

To filter the test results within a defined period, you should:

- 1. Set the desired dates in the "Filter by start date" fields.
- Note: Both fields must be filled in.
- 2. Click on the search icon to display the results. The test attempts taken between the selected dates will appear.
